My Dear Cousin Almeron –

Enclosed you will find your Amerman ancestors – all of whom were good American citizens – I am proud of them all and have much data concerning them. If you would like the history of Major Isaac Belknap – (a personal friend of General George Washington) and also John Perkins Dodge who went through the entire war. I shall be pleased to give you for your self and children. If you will tell me the name of your Mother's Father and Mother I will look for their worthy ancestors.

Wishing you all a very Happy New Year-  
I am always  
Your loving Cousin
