

Beached Mansion

WHEN THE *USS Intrepid* was launched in 1909, it was the largest ship ever built in the United States. It was a battleship, and it was built for the Navy. But it was also a floating museum, and it was built for the people. It was a ship that was built to last, and it has lasted for over a century. It was a ship that was built to be a part of the Navy, and it has been a part of the Navy for over a century. It was a ship that was built to be a part of the Navy, and it has been a part of the Navy for over a century.
