

The Beautiful tie on the left, emblazoned with the Dodge Coat of Arms, is our latest project.

We had two previous productions of the tie made in England and all of them were sold long ago.

The tie will be a royal blue with gold stripes and the Dodge Coat of Arms in gold.

If you want one or more ties, please use the order form at the bottom of this page, and enclose a check. The ties will be \$25 or two for \$45 to one address, post paid.

If you have looked at quality ties lately you will know that this price is very reasonable - especially for a custom-made tie. Only 200 of these Dodge Family ties will be made initially. If orders exceed that figure we will arrange for a second production later.

If you would like to see this tie in color, browse to [www.dodgeoffice.net](http://www.dodgeoffice.net). It will be posted there for you to view.
